Attn: Neil Golding

Dear Sirs,

Credit Suisse Virtuoso SICAV-SIF acting in respect of Credit Suisse (Lux) Supply Chain Finance Fund ("Credit Suisse") – SoftBank Group ("SBG")

1. We refer to your letter dated 12 November 2021 ("**12 November Letter**") and our previous correspondence, including your letter dated 18 October 2021 ("**18 October Letter**") and our response dated 4 November 2021 ("**Response**"), in relation to the "potential claims" referenced by Credit Suisse against SBG ("**Potential Claims**").
2. We do not intend to respond to the additional requests for information and documentation in the 12 November Letter and SBG is under no obligation to do so. As with the 18 October Letter, the 12 November Letter is a transparent fishing expedition. Although the 12 November Letter references the Practice Direction on Pre-Action Conduct and Protocols ("**Pre-Action PD**"), neither the 18 October Letter nor the 12 November Letter were expressly sent pursuant to the Pre-Action PD or otherwise in compliance with it. We reserve the right to bring Credit Suisse's failure to comply with the requirements of the Pre-Action PD to the attention of the Court, and to refer to this letter and our previous correspondence on the question of costs, should Credit Suisse bring proceedings against SBG without further notice, as mentioned at paragraph 100 of the 18 October Letter and paragraph 16 of the 12 November Letter.
3. Without limitation to paragraph 2 above, we confirm that, as indicated at paragraph 5(a) of the Response, neither SBG nor an "affiliated entity" of SBG provided any credit support to Greensill (or its affiliates) in connection with the Katterra programme.
4. Contrary to the "assumption" in paragraph 17 of the 12 November Letter, we are not authorised to accept service on behalf of SBG. For the avoidance of doubt, as stated at

26 November 2021

Page Two

paragraph 6 of the Response, SBG does not consent to the jurisdiction of the English courts.

5. All of SBG's rights in respect of the Potential Claims and the other matters raised in the 18 October Letter and 12 November Letter (including as to jurisdiction and costs) remain reserved.

Yours faithfully,

Morrison & Foerster (UK) LLP
